

Ara & Bhojpur — starter institute list

For: Priyanshu · Product: Acharya test-paper engine · Issued: 2026-08-18

Read this before you use the sheet

This is a STARTER list, not a finished route — and that is deliberate.

Rohan's Patna sheet has 12 institutes with addresses and phone numbers, because Patna's coaching market is on the internet. **Ara's is not.** We ran the same automated sweep that built Patna's list and it returned two real institutes. Directory sites either block us or are dead: the Ara Justdial pages won't open to us, `totalconcepteducation.com` doesn't resolve, and `lakshyaclassess.org` has an expired certificate.

Every name below is real and sourced. Not one phone number could be verified from the desk. Nothing here is guessed — where we are unsure, it says so.

So your first week's job is to finish this list. That is not a consolation prize: a verified list of Ara's coaching institutes is something no competitor selling into Bhojpur has, and it is the reason we hired someone who lives there.

How to read the confidence column

Tag	Means	What to do
● CONFIRMED	The institute demonstrably exists — it has its own app on the Play Store	Trust the name. Get the phone from Maps.
● DIRECTORY	Named with an address on a business directory	Likely real. Confirm on Maps before travel.
● UNCONFIRMED	Name appeared only in an SEO "top 10 coaching" article	Treat as a rumour. These lists are often auto-generated. Confirm the institute exists before you spend an hour on it.

A · The named leads

● **CONFIRMED — start here, both already PAY for software**

An institute with its own Android app has already bought a platform. That makes the owner pre-qualified twice: he has budget, and he has already said yes to buying software once.

	Institute	What we know	Why they're first
1	PANDEY CLASSES ARA	Classplus app (vendor: Education Thanos Media, pkg co.thanos.rupyb). 45 Play reviews, 2 at 1–2★. Reviews praise "step by step solutions", mention "advanced maths, competitive maths" → competitive-exam maths batch.	Runs on Classplus , whose test module ships EMPTY — the owner has to supply every question himself. That empty module is our exact pitch.
2	Physics World Ara	Own self-built app (pkg com.physicsworld.ara.education, vendor Express Educators). 52 Play reviews, 0 at 1–2★. Reviews mention "Assignment and quality content".	Built their own app — unusually tech-forward owner for Ara, and already cares about material quality.

Phone for both: get it from Google Maps or the institute's own signboard. The Play listing's developer contact belongs to the *vendor*, never the institute — don't use it.

🟡 DIRECTORY — real address on record

	Institute	Address as listed	Note
3	Evolution Academy for Competition & Intermediate	Gali No. 2, Maharaja Hata, Katira , Ara – 802301	"Competition & Intermediate" = exactly our ICP: competitive exams + 11/12. Listed as open until 6 pm.
4	One Step Education / One Step Institute	Arrah Chowk, Bhojpur	⚠️ See section B — check this one before any other.

🟡 UNCONFIRMED — names only, verify before you travel

	Institute	Where the name came from
5	Guru's Ashram IAS, Ara	SEO listicle — described as BPSC/UPSC, "Guru-Shishya" mentorship style
6	TIME PLUS ARA	SEO listicle — top BPSC coaching in Bhojpur
7	Total Concept Education	Claims "Best Coaching For UPSC & BPSC In Arrah" — their website is dead (domain doesn't resolve). Institute may still be running.
8	Lakshya Classes Ara	Has a website (lakshyaclassess.org) but its certificate has expired
9	Maa Mahthin Coaching Centre	Bihiya, Bhojpur (not Ara town) — Railway / SSC / Banking. Listed with several branches: BSNL Tower Road Bihiya · Moti Nagar, Ara Road · Bihiya Chaurasta · Benwalia · Karja. Multi-branch = a bigger fish, worth the trip once you have a win in Ara.

⚠️ **A dead website is not a dead institute.** In small-town Bihar most coaching centres let the site lapse and ruin everything on WhatsApp and Facebook. Numbers 7 and 8 may be perfectly healthy businesses — go and look.

B • Check this one FIRST — the possible warm introduction

One Step Education, Arrah Chowk.

Our first institute customer is **One Step Education in Patna** — they said yes on 12 August and their TRE batch is our live pilot. A "One Step Education" is also listed in **Arrah Chowk, Bhojpur**.

If it's the same owner or the same brand, your first Ara visit is a warm introduction instead of a cold knock — the single most valuable thing on this sheet.

But do not assume it. "One Step" is a common name and it may be an unrelated institute.

How we check, at zero cost: Rohan is visiting One Step Patna. He asks the owner directly — *"sir, aapki Ara mein bhi koi branch hai?"* One question in a meeting that is already happening.

- If **yes** → Priyanshu walks in with the Patna owner's name, and a live pilot to point at.
- If **no** → it's an unrelated institute, treat it as a normal 🟡 lead.

Deepak: get this answered at the One Step visit and tell Priyanshu the same day.

C • Tonight's desk work — finish the list

Two evenings of this gets you to 40+ names. Work each search, write straight into `ara_institutes.csv`.

Search BOTH spellings. Directory and Maps listings split between "Ara" and "Arrah" — use only one and you miss half the town.

- ~100 listings sit behind those four links. That alone is your list — one evening's transcription.**

On Google Maps, for every result capture: name · area · phone · what they teach · review count. Review count is your size proxy — but **pick the small and mid ones**. A 500-review chain has no local decision-maker; a 15-review owner-run centre decides in front of you.

Read the reviews. A complaint about test papers or study material is a public, dated, named pain you can open the conversation with.

D · The walk — the part only you can do

In Ara the signboards are the directory. Areas already named in our records:

Katira · Maharaja Hata · Arrah Chowk · Mahajan Toli · Swastik Building (plus, to verify: Station Road · Gopali Chowk · Shiv Ganj · Nawada · Anaith Road · near Maharaja College / H.D. Jain College / V.K.S. University)

One cluster per evening. Photograph every signboard — name and phone. **Transcribe the same night**; a photo you never type up is not a lead.

Correct the cluster table in 02_ARA_MARKET_BRIEF.md §4 from what you actually see. That table is Deepak's guess from outside Ara. Yours replaces it.

E · Before you pitch — qualify, then diagnose

Pitch only if 3 of these 4 are true:

- [] ≥10 current paying students
- [] Teaches an exam-prep subject (govt exam / board / NEET / JEE)
- [] Named a real pain when you asked about test papers
- [] The person in front of you owns the money decision

Not qualified → thank them, ask *"aapke jaan-pehchaan mein koi bada batch chalata hai?"*, log it, leave.

The three questions that matter:

1. *"Aapke test papers abhi kaun banata hai, aur ek paper mein kitna time lagta hai?"*
2. *"Kitni baar test hota hai — aur kabhi paper ready na hone se test skip hua hai?"*
3. *"Test ke baad kaise pata chalta hai ki poora batch kis chapter mein kamzor hai?"*

Whichever makes him talk fast is the pain you sell to.

And the one Deepak needs answered from Ara — the papers are English-only today:

"Abhi paper English mein aata hai. Aapke students ko Hindi mein chahiye, ya English chal jayega?"
"Agar English hi rahe, to aap phir bhi use karenge — ya rukega?"

The second half decides it. *"Hindi hota to achha hota"* is a wish; **"Hindi ke bina nahi chalega" is a requirement** — and only that justifies building it. Log the exact words.

Log every visit the same day, including the nos, with the exact reason. A no with a reason is worth more to the company than a maybe — it tells Deepak what to fix. An unlogged maybe is nothing.
