

Heena — Patna calling list & call sheet

Issued: 2026-08-19 · Your job: call → qualify → book a demo slot for Rohan

What this list is

168 Patna coaching institutes, every one with a working phone number, filtered so that we can actually generate a real test paper for what they teach. Built from our own lead database.

It is already sorted. **Start at A001 and work down.** Don't cherry-pick.

Patna institutes in our database	188
Removed — big chains (300+ reviews)	17
Removed — Rohan already worked them	6
Your callable list	168
Band A (call these first)	106
Band B	62

Why the big chains were removed: a 300-review branded chain has no local decision-maker — the person who can say yes sits in another city. A 40-review owner-run centre has the owner sitting right there. **Smaller is better for us**, which is the opposite of what feels right.

What we can actually offer each type — say this accurately

Never promise a subject we don't have. This is what's real, today:

Their segment	Count	What Acharya genuinely covers
NEET / JEE	67	Physics, Chemistry, Maths, Biology — our deepest banks, ~44,000 real verified questions
Tuition (school 9–12)	59	CBSE Class 10 Maths (49,000 questions) + Class 10 Science, Class 12 Physics/Chemistry/Biology, Class 12 Commerce
SSC / Bank / Railway	42	SSC + Railway (Reasoning, Maths, English, GK — ~1,000 each), Banking Quant, BPSC, Bihar TRE (2,026 real past-paper questions)

⚠ **Current Affairs is thin (8 questions).** If they ask specifically for current affairs, be honest: *"wo abhi hum bana rahe hain."* Never bluff — one wrong claim costs the whole call.

Your call, in four steps

1 • Open in 20 seconds — before he decides you're a telemarketer.

"Namaste sir, main Heena baat kar rahi hoon TrigunAI se. Aap coaching chalate hain na — main sirf 2 minute lungi. Aapke institute mein test papers kaun banata hai abhi?"

2 • Make him name the pain — don't pitch yet. Ask, then listen:

- "Test papers abhi kaun banata hai, aur ek paper mein kitna time lag jaata hai?"
- "Kitni baar test hota hai — kabhi paper ready na hone se test skip hua hai?"
- "Test ke baad kaise pata chalta hai ki poora batch kis chapter mein kamzor hai?"

Whichever makes him talk fast is the pain. **Write down his exact words** — Rohan opens with them.

3 • Qualify — 3 of these 4 must be true before you book:

- [] 10+ students
- [] Teaches an exam-prep subject we cover (see table above)
- [] Named a real pain about test papers
- [] **You are talking to the person who decides**

Not qualified → **do NOT book**. Thank him, ask *"aapke jaan-pehchaan mein koi bada batch chalata hai?"*, log the reason, move on. **Protecting Rohan's day IS your job**. A booking that shouldn't have been made costs him half a day, and costs you his trust in this whole list.

4 • Book a specific slot

"Sir, hamare Rohan aapke paas aa kar 10 minute mein dikha denge — aapke hi subject ka paper banake. Kal shaam 5 baje theek rahega, ya parso subah?"

Two options, never "kab aayein?" An open question gets "baad mein bata denge."

Every call ends in exactly one of three ways

Outcome	What you write
✅ Booked	date + time + owner's name + the pain in his words
❌ Not interested	the real reason — this is useful, not a failure
📞 Call back	a specific day and time — never "baad mein"

Nothing vague. *"Achhi baat hui"* with nothing agreed is a call that moved nothing.

What Rohan needs from you before he travels

Fill these in the sheet the same day. He walks in already knowing them, which makes it a completely different visit from a cold knock:

Institute · area · owner's name · roughly how many students · which exams/classes · the pain in his own words · the agreed slot

Money — there is no money conversation

It starts on a **14-day FREE TRIAL**. Your ask is always *"trial shuru karke dekh lijiye"* — never *"kitna doge."*

If he asks the price, tell him honestly. Dodging it makes you sound like you're hiding something and kills trust faster than any number. Nobody is paying today, so being straight costs nothing. Then:

"Sir, abhi 14 din bilkul free hai. Pehle chala ke dekh lijiye. Uske baad Deepak sir aapse baat kar lenge."

You never ask for money, negotiate, or give a discount. That is Deepak's conversation, after the trial.

A realistic day

40–50 dials → ~15 conversations → 2–4 booked demos. That is a good day, not a bad one.

Most calls will not reach the owner. That is normal and is not a reflection on you. **The list is long on purpose.**

Tell Saathi how each call went — it keeps the shared ledger so Rohan sees your bookings without you writing a separate report, and so nobody calls an institute he visited that morning.
