

# Heena — 5 call scripts

**Issued:** 2026-08-19 · Use with HEENA\_CALL\_LIST\_PATNA.csv (168 institutes)

## The shape of every call

**Primary ask = a demo at their office** (Rohan comes, 10 minutes, makes a paper for their subject).

**If they resist a visit — and many will — you have a second ask that always works:**

**"Sir, main aapko WhatsApp par link bhej deti hoon — aap khud 2 minute mein test dekh lijiye."**

That is not a consolation prize. A link costs them nothing, needs no appointment, no signup, and they can look at it at 11pm. **Many owners will say yes to a link who would never say yes to a visit** — and an owner who has already seen the product is a much easier visit for Rohan afterwards.

**So no call ends empty.** Every call ends with one of:

|   | Outcome                     | What you need                                             |
|---|-----------------------------|-----------------------------------------------------------|
| 1 | ✅ <b>Office demo booked</b> | date + time + owner's name                                |
| 2 | 📱 <b>Link sent</b>          | <b>a valid WhatsApp number</b> , then follow up in 2 days |
| 3 | 📞 <b>Call back</b>          | a specific day and time                                   |
| 4 | ❌ <b>Clear no</b>           | the real reason — log it, move on                         |

⚠️ **Always confirm the WhatsApp number out loud**

The number on my list is the office landline or a business number. **It may not be on WhatsApp.**

*"Sir, main link kis number par bhejun? Yahi number WhatsApp par hai, ya koi doosra?"*

Then repeat it back digit by digit. **A link sent to a non-WhatsApp number is a lost lead you'll think you worked.** If he prefers, take an email — but WhatsApp gets opened, email usually doesn't.

## SCRIPT 1 — NEET / JEE institute

*Your biggest group: 67 institutes. Our deepest bank — be confident here.*

TrigunAI Innovations · Acharya Acharya Field Visit List · Rohan · Confidential · 2026-08-17 · Ara & Bhojpur Institute List Acharya Field Visit List · Rohan · Confidential · 2026-08-17 · Priyanshu Acharya Field Visit List · Rohan · Confidential · 2026-08-17 · Confidential Acharya Field Visit List · Rohan · Confidential · 2026-08-17 · 2026-08-18

**Open:** "Namaste sir, main Heena baat kar rahi hoon TrigunAI se. Aap NEET/JEE ki coaching chalte hain na? Main sirf do minute lungi — ek cheez poochni thi."

**The question:** "Aapke institute mein weekly test ke papers abhi kaun banata hai — aap khud, ya faculty?"

(Let him answer. Then:)

"Aur ek paper banane mein kitna time lag jaata hai unhe?"

**Then the pivot — use HIS number back at him:**

"Sir, hamara system usi paper ko 2 minute mein bana deta hai — NEET/JEE ke asli pattern mein, chapter aur difficulty aap choose karke. Aur test ke baad batata hai ki kaun sa student kis chapter mein kamzor hai."

**Ask for the demo:**

"Hamare Rohan aa kar aapko 10 minute mein dikha denge — aapke hi chapter ka paper banake. Kal shaam 5 baje, ya parso subah?"

**If he hesitates → the link:**

"Koi baat nahi sir, main abhi aapko WhatsApp par link bhej deti hoon — aap khud ek test dekh lijiye, do minute lagega. Agar theek lage to Rohan aa jaayenge."

## SCRIPT 2 — School tuition, Class 9–12

---

59 institutes. Our strongest number lives here — 49,000 Class 10 Maths questions.

**Open:** "Namaste sir, main Heena, TrigunAI se. Aap 9th-10th-12th ke bachchon ko padhate hain na? Do minute ka sawal hai."

**The question:** "Board exam ki taiyari mein test papers kahan se laate hain aap — bazaar ki book se, ya khud banate hain?"

**The pivot:**

"Sir, humare paas Class 10 Maths ke hi 49,000 question hain, aur Science, 12th ke Physics, Chemistry, Biology, Commerce bhi. Board ke pattern mein paper turant ban jaata hai — har baar naya, repeat nahi hota."

**Ask for the demo:**

"Rohan aa kar dikha denge — aap chapter bataiyega, wahi ka paper bana ke denge. Kab theek rahega?"

**If he hesitates → the link:**

"Main link bhej deti hoon WhatsApp par — aap khud dekh lijiye ki paper kaisa banta hai."

## SCRIPT 3 — SSC / Banking / Railway

42 institutes. Say this one carefully — it only became true today.

**Open:** "Namaste sir, main Heena, TrigunAI se. Aap SSC-Banking-Railway ki taiyari karate hain na? Bas do minute."

**The question:** "Aapke students ke liye practice set kahan se aate hain — koi book, ya aap khud banate hain?"

**The pivot:**

"Sir, humare paas Reasoning, Maths, English aur GK — chaaron ka apna bank hai, hazaaron question. Aur Bihar TRE ke to 2,000 se zyada asli pichhle saal ke question hain, sahi answer key ke saath."

⚠ **Be honest about the one gap:** if he asks specifically about **current affairs**, say "sir wo abhi hum bana rahe hain, abhi kam hai." Never bluff — one wrong claim ends the call and the relationship.

**Ask for the demo, then the link** — same as above.

## SCRIPT 4 — When the receptionist or a teacher answers

This will be a third of your calls. Be warm — they decide whether you ever reach the owner.

**Open:** "Namaste, main Heena baat kar rahi hoon TrigunAI se. Sir se baat ho sakti hai? Test papers ke baare mein tha."

**If "sir nahi hain":** "Koi baat nahi. Sir kis time milte hain — subah ya shaam? Main us time call kar lungi."

**Then get the direct number:** "Aur sir ka WhatsApp number mil sakta hai? Main unhe link bhej deti hoon, wo apne time par dekh lenge."

**Never pitch the receptionist properly** — they can't say yes, and you'll have spent your pitch on the wrong person. Get the time and the number, be pleasant, hang up.

**Do log it.** "Owner not available, call at 6pm" is useful. It is not a wasted call.

# SCRIPT 5 — The brush-off: "busy hoon" / "WhatsApp kar do" / "abhi nahi"

*The most common response you'll get. It is a bad moment, not a no.*

**If "abhi busy hoon":** *"Bilkul sir, main disturb nahi karungi. Shaam ko 6 baje call karun ya kal subah?"*

**Two options. Never "main baad mein call karungi"** — that means never.

**If "WhatsApp par bhej do":** *This is a YES, take it. "Ji bilkul sir. Yahi number WhatsApp par hai na? Main abhi bhej rahi hoon — 2 minute ka hai, aap dekh lijiyega. Parso main ek call kar lungi, aap bata dijiyega kaisa laga."*

**Note both things: the number, and that you'll call back in 2 days.** A link sent and never followed up is a lead you gave away.

**If "humein zaroorat nahi":** *"Theek hai sir. Bas ek baat — abhi 14 din bilkul free hai, koi paisa nahi. Ek baar dekh lijiye, pasand na aaye to chhod dijiyega."*

**If he still says no — accept it cleanly.** *"Koi baat nahi sir, dhanyavaad. Aapke jaan-pehchaan mein koi bada batch chalata hai?"* Log the real reason and move on. **A clean no frees your day. Chasing a real no wastes a week.**

## The links you send

| What                                       | Link                                      | Use it when                   |
|--------------------------------------------|-------------------------------------------|-------------------------------|
| <b>Try a ready test</b> (no signup, 2 min) | <i>(Deepak to provide per segment)</i>    | Default — lowest friction     |
| <b>Make their own test</b>                 | <code>acharya.trigunai.com/teacher</code> | Owner wants to try it himself |

**Send the ready-test link first.** Asking an owner to sign up before he's seen anything loses most of them. Let him take a test in 30 seconds, then he'll sign up on his own.

**Always follow the link with a line, never a bare URL:**

*"Sir, ye 2 minute ka test hai — aapke hi subject ka. Khol ke dekh lijiyega. — Heena, TrigunAI"*

## Rules that apply to all five

---

1. **Never pitch before he names a pain.** Ask, listen, then use his words.
2. **One ask per call.** Demo, or link. Not both at once.
3. **Never ask for money.** 14 days free. Price if asked — honestly. Deepak handles commercials.
4. **Never claim a subject we don't have.** Current affairs is thin — say so.
5. **Log every call the same day**, including the no's, with the real reason.
6. **Confirm the WhatsApp number out loud** before promising to send anything.
