

Field Visit List — 12 Patna Institutes

For: Rohan · **Product:** Acharya test-paper engine · **Issued:** 2026-08-17

3 warm (already agreed to a demo) + 9 cold, over 3 days. Every name, address, phone and email below was taken from **that institute's own public website or public listing**. Nothing is guessed. Where a detail is uncertain it is marked **⚠ confirm on the call** — and if the ground differs from this sheet, **write the correction in the notes box**. The sheet is wrong, not you.

Read this before you leave the house

Lead with TEST PAPERS, not "AI tutor." Acharya's one-line pitch is: *"Unlimited exam-authentic test papers, in your institute's name, in 30 seconds."* The tutor, the doubt-solving, the batch dashboard — those come later, only if they ask.

First 10 minutes are THEM talking. You are diagnosing how their institute runs. The pitch comes only after you can repeat their problem back in their own words. A pitch without discovery is a pamphlet with a voice. **This applies to the warm three as well** — a booked demo is not a diagnosis.

Pitch only if 3 of these 4 are true (tick them on the card):

- ☐ ≥ 10 current paying students
- ☐ Teaches an exam-prep subject (board / NEET / JEE / govt-exam)
- ☐ Named a real pain when you asked about test papers
- ☐ The person in front of you owns the money decision

If not qualified: thank them, ask **"who do you know who runs a bigger batch?"**, log it, leave. A polite no from the wrong person teaches nothing.

The three discovery questions that matter for test series

1. **Who writes your test papers right now, and how long does one paper take?**
2. **How often do you run a test — and do you ever skip one because the paper isn't ready?**
3. **After a test, how do you find out which chapter the whole batch is weak in?**

Listen for the one that makes them talk fast. That's the pain you sell to.

About the warm three — know this before you knock

Stops 1, 2 and 5 were already called by **Maya, our AI phone assistant, calling as "Acharya."** They spoke to her on the phone and **agreed to a demo**. So:

- Open with **"Maine aapko Acharya se call kiya tha — aap demo ke liye maan gaye the"** — it's a follow-through, not a cold knock.
- If they don't remember the call, don't argue and don't explain that it was an AI. Just say *"koi baat nahi sir, 10 minute me main dikha deta hoon"* and run the normal discovery.

- **All three are JEE/NEET** — our question bank for those is live and tested, so **you can and should run a real demo paper on your phone**. Don't leave without showing it.

ROUTE — 3 days

Grouped by area so you never cross the city twice. **Warm stops come first inside each leg.**

DAY 1 — Kankarbagh, then Saketpuri | # | Institute | Area | Status | |---|---|---|---| | 1 | MCM IIT-JEE & NEET Academy | Kankarbagh | ★★ WARM | | 2 | Base Point | Kankarbagh (Sachiwalay Colony) | ★★ WARM | | 3 | Vaishnavi Classes | Kankarbagh (Malahi Pakri) | ★ best cold fit | | 4 | Shri Mangalam Institute | Kankarbagh (Kanti Factory Chowk) | cold | | 5 | Delta Success Point | Saketpuri, near NMCH crossing | ★★ WARM |

DAY 2 — PMCH side, then Boring Road | # | Institute | Area | Status | |---|---|---|---| | 6 | Kartar Coaching Centre | Makhania Kuan, near PMCH | cold — easiest yes | | 7 | Iconic Classes | East Boring Canal Road | cold | | 8 | Sukrishna Commerce Academy | Boring Road (HO) | cold — slowest yes |

DAY 3 — Machhua Toli, then Boring Road / Patliputra (*the "already paying for software" batch*) | # | Institute | Area | Status | |---|---|---|---| | 9 | Sagir Ahmad Career Classes | Machhua Toli (Arya Kumar Rd) | ★ **best lead in this file** | | 10 | Gyan Bindu G.S Academy | Boring Road (Kasturba Path) | strong | | 11 | Gyan Gurukul Genius40 | Boring Road Chauraha | confirm identity first | | 12 | Achievers IAS Academy | Patliputra Colony (Rd No 4A) | sharpest pain signal |

Phone every stop the morning of the visit to confirm the owner is in. A wasted trip to Boring Road costs you two other visits.

💡 **Efficiency note:** Stop 9 (Machhua Toli) is very close to Stop 6 (Makhania Kuan, near PMCH) — both on the Ashok Rajpath side. **If Day 2 moves fast, do Stop 9 on Day 2** and finish Day 3 with just the Boring Road / Patliputra three.

DAY 1

STOP 1 • MCM IIT-JEE & NEET Academy ★★ WARM — start here

Ask for	Mrinal Kashyap Sir — Founder / CEO
Address	Kankarbagh, Patna — ⚠️ they have TWO branches: Kankarbagh and Jaganpura. Their site does not publish the street address. Call first and ask which branch Mrinal sir sits in today.
Phone	7992250244
Exams	IIT-JEE (Main & Advanced) • NEET • CUET • CBSE Boards classes 7–12
Status	Maya called → demo accepted . This is our warmest lead in Patna.

⚠️ Our records had MCM at Boring Road — their own site says Kankarbagh + Jaganpura. Confirm the real address on the call and correct it here: _____

Your opening line:

"Mrinal sir, Acharya se call aaya tha — aap demo ke liye maan gaye the. Main woh dikhane aaya hoon. Par pehle: **aapke JEE aur NEET test papers abhi kaun banata hai?**"

Then demo. JEE + NEET bank is live. Generate a real paper on your phone in front of him. Do not leave without doing this.

Qualify: ☐ ≥10 students ☐ exam-prep ☐ named a pain ☐ owns the decision

Notes (verbatim — his words, not your summary):

Outcome: ☐ pilot booked ☐ follow-up on _____ ☐ no ☐ referral: _____

STOP 2 • Base Point ★★ WARM

Ask for	The owner — name not published. Get his name: _____
Address	A-66, Sachiwalay Colony, near Dr. Alka Pandey clinic, Kankarbagh, Patna 800020 — ⚠️ a second address is also listed: <i>Classroom Building, Vidyapuri, Jogipur, Bankman Colony, Kankarbagh</i> . Confirm which one on the call.
Phone	7979919133 • alt 8986956882
Email	basepoint35@gmail.com
Exams	NEET • IIT-JEE • Science coaching
Status	Maya called → demo accepted.

Walking note: Sachiwalay Colony is a short walk from Malahi Pakri (Stop 3). Do 2 → 3 together.

Your opening line:

"Sir, Acharya se call aaya tha, aap demo ke liye haan kaha tha. Main 10 minute lunga. Pehle batayiye — **aapke NEET test papers har hafte kaun banata hai?**"

Then demo. NEET bank is live — show a real paper.

Qualify: ☐ ≥10 students ☐ exam-prep ☐ named a pain ☐ owns the decision

Notes (verbatim):

Outcome: ☐ pilot booked ☐ follow-up on _____ ☐ no ☐ referral: _____

STOP 3 · Vaishnavi Classes ★ best cold fit on this whole sheet

Ask for	Prafull Sir — Founder & Master Faculty. He is the teacher AND the owner.
Address	K-613, Malahi Pakri Chowk, Kankarbagh, Bankman Colony, Patna 800020
Phone	9142277496
Email	prafullsirenglish@gmail.com (his personal Gmail — he reads it himself)
Exams	SSC (CGL, CHSL, CPO, MTS, GD) · IBPS/SBI banking · RRB railway · BPSC · NDA/CDS

What they already sell (your hook): his site promises "Weekly mock tests with detailed performance analysis and personalized improvement strategies." He is doing our product by hand, every single week.

Your opening line:

"Prafull sir, aapki site pe likha hai — weekly mock test with performance analysis. Main yahi poochne aaya hoon: **woh paper har hafte kaun banata hai, aur kitna time lagta hai?**"

Why he's the best cold target: we have a live, verified question bank for exactly his exams — SSC, Railway, Banking, BPSC. **Demo works here. Show him a real paper.**

Qualify: ☐ ≥10 students ☐ exam-prep ☐ named a pain ☐ owns the decision

Notes (verbatim):

Outcome: ☐ pilot booked ☐ follow-up on _____ ☐ no ☐ referral: _____

STOP 4 • Shri Mangalam Institute (SMI)

Ask for	The director/owner — name not published. Get his name: _____
Address	Dwarika Market, 2nd Floor, M.G. Nagar, Kanti Factory Chowk, opp. Shiv Mandir, Kankarbagh, Patna 800020
Phone	9798273181 • alt 9430462353
Email	shrimangalaminstitute@gmail.com
Exams	Physics, Chemistry, Maths • Classes VII–XII • IIT-JEE / NEET / AIIMS

What they already sell (your hook): their site's boast is "*more number of mocktest / prelims than any other institute.*" They have made test **volume** their public promise — and that promise is expensive to keep by hand.

Your opening line:

"Sir, aapki site kehti hai ki aap Patna me sabse zyada mock test karate hain. Woh claim maintain karna mehenga hota hai — **usme kitne log paper banane me lage hain?**"

Watch for: they run classes VII–XII, so ask which classes the papers are hardest for. Foundation classes (VII–X) are usually where paper-writing gets skipped.

Qualify: ☐ ≥10 students ☐ exam-prep ☐ named a pain ☐ owns the decision

Notes (verbatim):

Outcome: ☐ pilot booked ☐ follow-up on _____ ☐ no ☐ referral: _____

STOP 5 • Delta Success Point ★★ WARM — end Day 1 here

Ask for	The owner — name not published. Get his name: _____
Address	New Kunj Colony, Saketpuri, near NMCH Railway Crossing, Patna 800016 (<i>also listed under Bazar Samiti / Rajendra Nagar — same area</i>)
Phone	7903454942 • alt 8789266901 • 9970668668
Exams	IIT-JEE (Main/Advanced) • NEET • AIIMS • classes 6–12
Open	9:00 AM – 9:00 PM, Mon–Sat. CLOSED SUNDAY.
Status	Maya called → demo accepted.

Their pitch is "faculty are mostly IITians and Medicos" — so they sell teaching quality. Frame the papers as *freeing their IITian faculty from paper-setting to actually teach*.

Your opening line:

"Sir, Acharya se call aaya tha. Aapke faculty IITians hain — **unka kitna time paper banane me chala jata hai?** Woh time bachane aaya hoon."

Then demo. JEE + NEET bank is live.

Qualify: ☐ ≥10 students ☐ exam-prep ☐ named a pain ☐ owns the decision

Notes (verbatim):

Outcome: ☐ pilot booked ☐ follow-up on _____ ☐ no ☐ referral: _____

DAY 2

STOP 6 · Kartar Coaching Centre — easiest yes on the sheet

Ask for	The owner — name not published. Get his name: _____
Address	Kartar Coaching Centre, Makhania Kuan, near PMCH, Patna
Phone	7808981230 · alt 9931773317
Email	kartarcoachingpatna@gmail.com
Exams	IBPS, SBI, RRB, SSC CGL, SSC CHSL, Railway NTPC, NDA, Airforce, Navy, SSC GD

What they already sell (your hook): nothing branded — only *"regular mock tests & previous year paper practice."* No test-series product at all. That's the gap.

Your opening line:

"Sir, aap previous year papers se practice karate hain. **Jab woh papers khatam ho jaate hain, phir naye questions kahan se aate hain?**"

Why he's an easy yes: small setup, no existing test-series vendor to displace, and his exams (SSC/Bank/Railway) are exactly the bank we already have live. **Same demo as Stop 3.**

Qualify: ☐ ≥10 students ☐ exam-prep ☐ named a pain ☐ owns the decision

Notes (verbatim):

Outcome: ☐ pilot booked ☐ follow-up on _____ ☐ no ☐ referral: _____

STOP 7 • Iconic Classes

Ask for	The owner — name not published. Get his name: _____
Address	3rd Floor, Ashoka Tower, East Boring Canal Road, near Lalita Hotel, Patna 800001
Phone	7903993958 • alt 8651259660
Email	info@iconicclasses.in
Exams	Physics, Chemistry, Biology, Maths • IIT-JEE / NEET

What they already sell (your hook): there is an **"Online Test Series"** item in their website menu. They've already decided a test series is worth selling — the question is how much content is actually behind it.

Your opening line:

"Sir, aapke website pe Online Test Series ka option hai. Main dekhna chahta hoon — **usme kitne papers hain, aur naye papers kitni jaldi add hote hain?**"

Watch for: single location, no branch network — the person you meet can very likely say yes the same day. Push for the free pilot before you leave.

Qualify: ☐ ≥10 students ☐ exam-prep ☐ named a pain ☐ owns the decision

Notes (verbatim):

Outcome: ☐ pilot booked ☐ follow-up on _____ ☐ no ☐ referral: _____

STOP 8 · Sukrishna Commerce Academy — biggest money, slowest yes

Ask for	CA Binay Kumar or CA Vivek Kumar — the two co-founders, both Chartered Accountants.
Address	3rd Floor, Surya Crystal, Boring Road, opp. Karlo Automobiles, Patna 800001 (head office — 6 branches total)
Phone	8084696222 (HO) · 8051000032 (24/7 line)
Email	info@sukrishna.in
Subjects	Commerce classes 11–12 — Accountancy, Business Studies, Economics, Entrepreneurship, Maths

What they already sell (your hook): *"Mock tests aligned to CBSE & Bihar Board pattern"* across all six branches. Six branches means the same paper problem, multiplied by six.

Your opening line:

"Sir, aap 6 branches me CBSE aur Bihar Board pattern ke mock test karate hain. **Sab branches ke liye same paper banta hai, ya har branch alag banati hai?**"

⚠️ **TWO WARNINGS — read before you walk in.** **1.** Six branches means a front desk and a real approval chain. You will probably NOT get a yes on day one. Aim only for a meeting with one of the two CAs. Don't burn a whole afternoon. **2.** They are **commerce** — Accountancy, Business Studies, Economics. **Do NOT promise or run a live demo paper here until Deepak confirms our commerce question coverage.** If they push for a demo, say *"Main aapke exact subjects ka sample paper kal bhejta hoon"* and message Deepak the same evening.

Qualify: ☐ ≥10 students ☐ exam-prep ☐ named a pain ☐ owns the decision

Notes (verbatim):

Outcome: ☐ meeting with a CA booked ☐ follow-up on _____ ☐ no ☐ referral:

DAY 3

How Day 3 is different — read this first

Days 1 and 2 were institutes we found from their websites. **Day 3's four all run their own branded mobile app** — which means the owner has already paid real money for software (these apps cost lakhs a year). Two things follow:

- **They are not scared of technology and they have a budget.** You are not convincing them to start spending. You are asking them to spend on the part their app is missing.
- **Their app has a test section with no questions in it.** The app company sold them the *tool*; nobody gave them the *papers*. That hole is the whole conversation.

So the opening question for Day 3 is different:

"Sir, aapka apna app hai — usme test section bhi hai. **Us test section me questions kaun daalta hai?**"

Nine times out of ten the answer is "hum khud" or "abhi khaali hai." That's your opening.

STOP 9 · Sagir Ahmad Career Classes ★ best lead in this entire file

Ask for	Sagir Ahmad sir — his name is the institute. Running since 1989 .
Address	4, Arya Kumar Rd, Langar Toli, Machhua Toli, Patna 800004 (<i>3rd Floor, Gulab Palace, beside Shiv Mandir</i>)
Phone	+91 73239 10129 — same number is his WhatsApp
Email	Ask.SagirAhmadCareerClasses@gmail.com
Exams	SSC (CGL, CHSL, MTS, Steno, GD) · Railway RRB (NTPC, Group D, ALP, JE) · Banking (IBPS, SBI, RBI, LIC) · NDA/CDS/AFCAT · Foundation 9–12

What they already sell (your hook): their site promises *"Weekly full-length mock tests with detailed analytics to track performance and improve accuracy."* Thirty-six years in business and a weekly mock-test commitment — somebody is writing those papers by hand every single week.

Your opening line:

"Sagir sir, 1989 se aap padha rahe hain. Aapki site pe likha hai — weekly full-length mock test with analytics. **Woh paper har hafte kaun banata hai, aur kitna time lagta hai?**"

Why he's the top target: his exams are *exactly* the bank we already have live and verified — SSC, Railway, Banking. **Run the demo. Generate a real SSC or Railway paper on your phone.** If Day 3 produces one pilot, it should be this one.

Qualify: ☐ ≥10 students ☐ exam-prep ☐ named a pain ☐ owns the decision

Notes (verbatim):

Outcome: ☐ pilot booked ☐ follow-up on _____ ☐ no ☐ referral: _____

STOP 10 • Gyan Bindu G.S Academy

Ask for	Raushan Anand — Director. Established 2016.
Address	H.No 4, Kasturba Path, behind Jamuna Apartment, Boring Road, Patna 800001
Phone	85400 63639 • alt 93414 92082
Exams	UPSC • BPSC • Bihar Daroga • SSC • Railway

What their students say (your hook): on their own app, a student wrote *"Good but some time pdf not opens properly I think some improvement needed."* Their material reaches students as PDFs that sometimes don't open — a content-delivery problem, not a teaching problem.

Your opening line:

"Raushan sir, aapke app pe students PDF ke baare me likh rahe hain. Main content ki baat karne aaya hoon — **BPSC aur Daroga ke naye questions har hafte kahan se aate hain?**"

Why he fits: BPSC and Bihar Daroga are live in our bank. **Demo works — show a real BPSC paper.**

Qualify: ☐ ≥10 students ☐ exam-prep ☐ named a pain ☐ owns the decision

Notes (verbatim):

Outcome: ☐ pilot booked ☐ follow-up on _____ ☐ no ☐ referral: _____

STOP 11 · Gyan Gurukul Genius40 — confirm who they are before you pitch

Ask for	The owner — name not published. Get his name: _____
Address	Kumar Tower, Boring Road Chauraha, Patna
Phone	81029 21570
Exams	IIT-JEE · NEET

⚠ **Identity check first.** Patna has several unrelated "Gyan Gurukul" outfits — one in Panapur, one in Beur, one in Bazar Samiti. We matched the app to *this* Boring Road branch but did not confirm it. **Open by asking, not by pitching:** *"Sir, Play Store pe GYAN GURUKUL PATNA naam ka app hai — woh aapka hai?"* If it isn't theirs, you've lost nothing — run normal discovery instead. Note the real owner here: _____

Your opening line (once confirmed):

"Sir, aapka app hai aur usme test section bhi hai. **Usme JEE aur NEET ke questions kaun daalta hai?**"

Qualify: ☐ ≥10 students ☐ exam-prep ☐ named a pain ☐ owns the decision

Notes (verbatim):

Outcome: ☐ pilot booked ☐ follow-up on _____ ☐ no ☐ referral: _____

STOP 12 • Achievers IAS Academy — highest fees, clearest gap

Ask for	The director — name not published. Get his name: _____
Address	Patliputra Colony, Road No 4A, near Tennis Court, Patna 800013
Phone	84349 31877
Email	achieversiaspatna@gmail.com
Exams	UPSC • BPSC • Course fees ₹40,000 – ₹2,40,000

What their students say: of the 8 reviews on their app, **5 are 1- or 2-star**, and one says their course material is empty. Students paying up to ₹2.4 lakh are publicly saying they aren't getting material. That is the gap, and the fee level means they can afford to fix it.

🚫 **Do NOT read that review out to him.** One of them uses the word "fraud." Quoting it will end the meeting and it isn't your point anyway. Use it as *context only* — it tells you what to ask about, not what to say.

Your opening line — ask about value-for-fee, never about the reviews:

"Sir, aap UPSC aur BPSC ke liye lakhs me fees lete hain. **Us fees ke badle students ko kitna practice material milta hai — aur woh material kaun banata hai?**"

Then stay quiet. This is the one stop where the discovery question does all the work.

Qualify: ☐ ≥10 students ☐ exam-prep ☐ named a pain ☐ owns the decision

Notes (verbatim):

Outcome: ☐ pilot booked ☐ follow-up on _____ ☐ no ☐ referral: _____

Day 3 side-quest — four institutes we can't reach yet

These four run their own apps but publish **no phone number anywhere**. If you have a spare 30 minutes, find a number for any of them — that's as valuable as a visit. Try the app's own YouTube or Telegram channel, or ask at a nearby institute.

Institute	What we know	Why we want them
Deepak Sir Patna	Govt exams — CSAT, reasoning, psych	Already sells a test series and is failing to deliver it. A student wrote: <i>"I bought the test series for psych exam tomorrow but haven't received my ID and password yet."</i> Best wedge on the list.
Kundan Patna	Digha, Danapur Rd (number hidden on Justdial) · YouTube "Kundan Patna"	44 app reviews, 13 of them 1–2 star — worst satisfaction ratio we found.
Ashish Sir Patna	Bihar TRE (teacher recruitment)	Sells TRE guess papers — a student credited him for <i>"guess question ka level"</i> . We have TRE questions.
Sankalp Classes Patna	⚠️ three unrelated Sankalps in Patna	Don't call blind — identify which one owns the app first.

Number found? Write it here and tell Deepak: _____

After every visit — 5 minutes, non-negotiable

Same day, message Deepak these four lines per institute. This is the real output of the day — more valuable than a yes.

1. **Outcome** — pilot booked / follow-up (date) / no / unqualified-referral
2. **Their pain, verbatim** — one line, their words
3. **Their objection, verbatim** — one line, their words
4. **Who writes their papers today** — a person's name, a vendor, or "nobody, we skip tests"

Plus, for the warm three: **did they remember the Acharya call?** Yes/no. That tells us whether Maya's bookings are real.

Do / Don't

DO phone ahead the morning of the visit · ask for the owner by name at the desk · write their words down as they say them · correct this sheet where it's wrong · run the live demo at stops 1, 2, 3, 5, 6, 9, 10 · ask every "no" for one referral.

DON'T pitch before discovery · demo commerce papers at Stop 8 · read the bad reviews out loud at Stop 12 · pitch at Stop 11 before confirming the app is theirs · explain that Maya is an AI · quote a price Deepak hasn't confirmed · leave without either a booked pilot, a dated follow-up, or a referral name.

For Day 3 add one extra line to your evening message: **does their app's test section actually have questions in it — yes, empty, or "hum khud banate hain"**? That single answer tells us whether this whole batch of leads is worth repeating in other cities.
