Phone: 7667177063 · Email: rohankrsaurabh@gmail.com

Dear Rohan,

Congratulations. Following our discussion, we are pleased to appoint you in **TrigunAI Innovations Private Limited** (“the Company”) on the terms below. This is a field sales and customer-onboarding role for our **Acharya** AI-tutor product in the Patna region.

1. Position & Reporting

- **Designation:** Field Sales & Onboarding Associate — Patna
- **Reporting to:** Deepak Kumar (Founder & CEO)
- **Location:** Patna (field-based) + assigned outstation institutes as agreed
- **Date of joining:** 16 July 2026
- **Employment type:** Full-time, on probation (see §6)

2. Role & Responsibilities

1. Visit tuition teachers / coaching institutes from the Company’s assigned lead list, in person, in and around Patna.
2. Call assigned leads, explain the Acharya offer, and hold discovery conversations using the Company’s script.
3. Onboard interested teachers onto the Acharya platform (free pilot → paid plan) and assist their setup.
4. Log every call and visit the **same day** in the Company tracker (format provided).
5. Collect and report teacher pain-points, objections, and competitive information truthfully.
6. Represent TrigunAI and the Acharya product **honestly** — no exaggerated or false claims. Misrepresentation to a customer is a serious breach.

3. Compensation Structure

Your earnings have a **fixed** part and a **variable (incentive)** part. Full details are in **Annexure A**. In summary:

Component	Amount	Basis
Fixed monthly retainer	₹10,000 / month	Paid monthly, subject to meeting the minimum activity bar in Annexure A
Field-visit pay	₹200 per verified visit	Paid regardless of outcome (proof + same-day log; cap 25/month)
Converted-visit bonus	+ ₹500 per converted visit	Extra, when a verified visit becomes a paying customer
Conversion incentive	₹1,100 per successful onboarding	Paid when a teacher you onboarded makes their first cleared payment

There is **no upper limit** on the conversion incentive — the more teachers you convert to paying customers, the more you earn.

4. Payment Terms

- The retainer, visit pay, and any incentives for a month are computed at month-end and paid **by the 7th of the following month**, by bank transfer to your registered account.
- All amounts are subject to applicable statutory deductions (e.g. TDS), if and when applicable.
- Incentives/allowances are payable **only against verified records** (call log, visit proof, and confirmed payment from the client).

5. Money-Handling Rule

You are **not authorised to collect cash or payments from any customer** on the Company's behalf. All customer payments must be made **directly to the official TrigunAI account/link** only. Any in-person collection of money is strictly prohibited and is grounds for immediate termination.

6. Probation & Notice

- **Probation:** first **3 months** from joining. During probation either party may end this engagement with **7 days'** written notice.
- **After confirmation:** either party may end with **30 days'** written notice (or salary in lieu, at the Company's discretion).
- The Company may terminate without notice for misconduct, dishonesty, misrepresentation to customers, or misuse of Company data.

7. Confidentiality & Data Protection

- All leads, teacher contacts, student data, pricing, scripts, and materials you access are the **confidential property of TrigunAI**, to be used **only** for your work for the Company.

ANNEXURE A — COMPENSATION & INCENTIVE STRUCTURE

Employee: Rohan Kr. Saurabh

Field Sales & Onboarding Associate — Patna

This annexure forms part of the Letter of Appointment dated 14 July 2026. It defines exactly how each rupee is earned, so there is never a dispute at month-end. Both parties sign it.

A.1 Fixed Monthly Retainer — ₹10,000

- Paid every month for meeting the **minimum activity bar**: at least **100 verified calls/week** to assigned leads, **and same-day logging** of every call and visit.
- If the activity bar is not met for reasons within your control, the Company may pro-rate the retainer (agreed in writing before any deduction).
- The retainer is your base for showing up and doing the work — it is not tied to a single conversion.

A.2 Conversion Incentive — ₹1,100 per successful onboarding

The core earning, and it is **uncapped**. “Successful onboarding” means ALL of:

1. A teacher/institute **you** sourced or handled agrees to the Acharya plan, **and**
 2. Their Acharya instance is **set up and live**, **and**
 3. Their **first monthly payment (₹4,999) is received and cleared** in the official TrigunAI account.
- The ₹1,100 is credited in the month the first payment clears.
 - A free 14-day pilot that never pays is **not** a conversion — no incentive is due for it.
 - If a converted teacher cancels/refunds within the first payment cycle, that incentive may be reversed/withheld.

A.3 Field-Visit Pay — ₹200 per visit + ₹500 bonus on conversion

(a) Fixed visit pay — ₹200 per verified visit (paid regardless of outcome). A visit is “verified” and paid only if:

1. The institute is on the Company’s **assigned/approved lead list** (not self-picked, unless pre-approved), **and**
2. You submit **proof**: a photo at the institute (board/nameplate visible) **plus** the visit form — institute name, owner name, phone, discussion, outcome, **and**
3. The visit is **logged the same day**.

Monthly cap on fixed visit pay: up to **25 verified visits/month (₹5,000 max)**. Genuine visits beyond 25 may be approved case-by-case in writing.

(b) Converted-visit bonus — extra ₹500 when a verified in-person visit becomes a successful onboarding under A.2 (first ₹4,999 cleared). Uncapped.

Outcome	Pay
Verified visit, did not convert	₹200
Verified visit that converts	₹200 + ₹500 + ₹1,100 = ₹1,800
Conversion closed on phone only (no visit)	₹1,100

A.4 Illustrative Monthly Earnings (example only — not a guarantee)

Scenario	Retainer	Visit pay	Convert bonus	Onboard	Total
Ramp-up (15 visits, 2 convert via visit)	₹10,000	₹3,000	₹1,000	₹2,200	₹16,200
Strong (25 visits, 5 convert: 3 visit + 2 phone)	₹10,000	₹5,000	₹1,500	₹5,500	₹22,000
Big (25 visits, 10 convert: 6 visit + 4 phone)	₹10,000	₹5,000	₹3,000	₹11,000	₹29,000

A.5 General

- All figures are gross and subject to statutory deductions (e.g. TDS) if/when applicable.
- Payouts are against **verified records only** (call log + visit proof + confirmed cleared payment).
- The Company may revise this structure with **15 days' written notice**; already-earned incentives are protected.
