LETTER OF APPOINTMENT

Date: 19 August 2026

Ref: TAI/HR/2026/HEENA-01

To,
Ms. Heena Kouser
Patna, Bihar
Email: h.raza20@gmail.com

Dear Heena,

Congratulations. Following our discussion, we are pleased to appoint you in **TrigunAI Innovations Private Limited** (“the Company”) on the terms below. This is an inside-sales and client-relationship role for our **Acharya** assessment and exam-paper platform in the Patna region.

1. Position & Reporting

- **Designation:** Inside Sales & Client Relationship Executive — Patna
- **Reporting to:** Deepak Kumar (Co-Founder, CEO & CTO)
- **Works alongside:** Mr. Rohan Kr. Saurabh (field visits & demos)
- **Location:** Patna — primarily phone-based; occasional in-person work as agreed
- **Date of joining:** 20 August 2026
- **Employment type:** Full-time, on probation (see §6)

2. Role & Responsibilities

1. Call coaching institutes from the Company’s assigned list, qualify them, and **book demo appointments** for the field executive so that visits are made only to institutes worth the trip.
2. Follow up after every field visit and keep each institute warm between visits.
3. Get institutes **registered and actively testing** Acharya on its 14-day free trial, and keep them using it.
4. Report proven usage to the Founder, and share institute pain-points and objections truthfully.
5. Log every call the **same day** in the Company’s shared institute ledger (format and tools provided).
6. Represent TrigunAI and the Acharya product **honestly** — no exaggerated or false claims about subjects, coverage or results. Misrepresentation to a customer is a serious breach.

Your success is measured by institutes whose students have actually taken a test — not by the number of calls made.

3. Compensation Structure

Your earnings have a **fixed** part and a **variable (incentive)** part. Full details are in **Annexure A**. In summary:

Component	Amount	When paid
Fixed monthly	₹ 8,000 per month	By the 7th of the following month
Incentive — per conversion	₹ 2,500 per institute	Monthly, with salary, for conversions verified that month

4. No collection of payment

Acharya is offered to institutes on a **14-day free trial**. You are **not required or expected to ask any institute for money, negotiate pricing, offer discounts, or collect payment**. You may state the Company's published pricing openly and factually if asked. All commercial and payment discussions are handled by the Founder, separately, after an institute's trial.

5. Working Days & Hours

- Monday to Saturday. Sundays and public holidays off.
- Calling hours to be aligned with institute working hours, as mutually agreed.

6. Probation & Review

Your first **three months** are on probation. An honest review will be held at the end of your first **six weeks**, covering both what you have achieved and what support you need from the Company.

7. Confidentiality & Data Protection

Institute contacts, student data, pricing, product information and internal materials are confidential and must not be shared outside the Company or used for any other purpose. **Student personal data must be handled with particular care and never shared, copied or retained personally.**

8. Notice Period

Either party may end this engagement with **15 days' written notice** during the first three months, and **30 days' written notice** thereafter.

ANNEXURE A — COMPENSATION & ONBOARDING

Heena — Inside Sales & Client Relationship Executive

Ref: TAI/HR/2026/HEENA-01

A1. Fixed Component

₹ 8,000 per month, payable by the 7th of the following month, subject to applicable statutory deductions if and when applicable.

A2. Incentive — what counts as a “conversion”

A **conversion** means an institute that has been **registered on Acharya AND has run at least one test with its students** — verified in the Company’s system — where you were the person who drove it.

This has been defined deliberately. Acharya opens on a 14-day free trial, so there is no payment at the time you do your work. Your incentive is therefore tied to a milestone you can genuinely control and see — an institute actually using the product. Whether that institute subscribes afterwards is the owner’s decision and is handled by the Founder.

Conversions in a month	Incentive earned	Total earnings that month
2	₹ 5,000	₹ 13,000
5	₹ 12,500	₹ 20,500
10	₹ 25,000	₹ 33,000

Illustrative only; not a guarantee or a target.

A3. Tools provided

- **Saathi** — your own AI companion on WhatsApp. It plans your day with you, teaches you the product and the skills the role needs, keeps the institute record for you, tracks your progress and answers anything you ask, at any time.
- The assigned calling list, call scripts, and access to the Acharya platform and the shared institute ledger.

A4. First-week plan

- **Day 1–2:** product training with Saathi — what Acharya is, what makes it different, what we do and do not cover. No calling yet.
- **Day 3 onward:** begin calling the assigned list; qualify and book demo appointments for the field executive.
- **Daily:** log every call the same day; short end-of-day check-in with Saathi.

A5. Acceptance

Please sign and return a copy of this letter to confirm your acceptance of the terms set out above.
